This Game Masters Toolkit is an indispensable supplement to the popular roleplaying game Anima: Beyond Fantasy. The Game Masters Toolkit includes - A grand, four-panel folding reference screen that gathers all the tables and rules needed to help keep game sessions fast and efficient. - Additional new rules for Creation Points, combat manoeuvres, insanity, and more. - Optional rules for easily adapting your Anima game to suit your style of gameplay. - 20 pre-generated characters, each from a different class, with their own unique backgrounds. - Shadows Within Dreams, a multi-session adventure for 3-5 first or second level characters, designed for both experienced players as well as those new to the amazing world of Gaia.
