Angela Covington embraces her inner dragon and realizes there's more to her sister than she knew. A new foe is revealed, and she discovers that in order to survive, she must make a permanent decision. But, she doesn't want to spend the rest of her life looking over her shoulder and considers joining forces with her sister to fight the threat that's been plaguing their family for years. But can Melissa be trusted? Naeghyr acknowledges his fate and will do whatever it takes to protect Angela from the dragon hunter, but first he must protect her from her own flesh and blood. His confinement in the human realm has changed him, bringing about a thirst for violence and revenge. Survival is key, and in their endeavors they soon realize they must play the sick and twisted game of Angela's sister if they want to escape the hellish facilities.
