Years ago, Samantha made a deal with a devil. Magic, in exchange for her soul. Magic, in exchange for satisfying a horde of devils. When the demon comes calling again, with an entire clan of his brethren in tow, Sam is left to ponder whether she can handle being bred or if she'll succumb to their carnal ritual of lust and flesh! Warning: This story is over 10,000 words consisting of m/f sex, breeding, forced sex, multiple partners, huge monster cocks and a demon gangbang with unnamed, anonymous partners! Adults only!
