Jean Starnes has written a bi-weekly column for the "Midland Reporter-Telegram" the last twelve years and has four books published. Her sense of humor shines in everything she writes. "Hell on Wheels Five" contains sixty of her newspaper columns. Topics include a visit to the S.P.C.A., her fondness for Starbuck's frappuccinos, getting weird e-mails, flipping over her three-wheeled scooter, and the Dallas Cowboy football team. This book should appeal to all ages.
