Sometimes the best solution is found in bed... Lady Sophia Harding: beautiful, blond, and...capable of murder? That's what Lord Camden Grey intends to find out. It is Camden's duty to uphold the laws of the land. His neighbor's pale beauty and winsome grace don't make her the most likely suspect, but is the innocent and altogether beguiling look in her eyes the truth, or is she secretly a scheming seductress? Lord Camden Grey is entirely too distracting and too smart. Sophia knows that to keep her family's secrets, she must avoid any entanglements with the powerful and brutally handsome man. But the pull of their mutual desire is all-consuming. Can Sophia trust Camden with the truth when she knows it might kill the love that has grown between them?
