Delia hates Jayne because of how she treated her in high school, so it's very disturbing when they are unexpectedly thrown together for a class project. Jayne has lost sixty pounds since high school and is gorgeous. She is just Delia's type to---if she wasn't so straight, homophobic, and a bitch. Shavonne is smart, soft-spoken, and sweet. The kind of girl you take home to Mama. Too bad she is stuck in an abusive relationship with her live-in girlfriend Tracy. Nobody, not even her best friend Delia, has a clue. Delia also never would have guessed that Shavonne has a secret crush on her. Then there is Stacy. She is rich, goal-oriented, beautiful, and in a relationship with a handsome man who adores her completely. Her life is going as planned, until one day she spots Kendal. Handsome, sexy, laid-back Kendal who would be Stacy's type if she wasn't already involved, and then there's one other big obstacle...
