Vampires, shifters, bloodlust, and murder... Continue the romance between the royal vampire couple in another installment of the young adult paranormal series. She's keeping all the secrets to herself—and this time it might just be her undoing. Rubi is sent to yet another creep-tastic boarding school where the antebellum south lingers like ghostly apparitions—or those might be real ghosts she's seeing. Fortunately her delicious vampire boyfriend, Mac Davenport, is by her side as is the darkly charming Russian shifter Demy Dragoniv. Un-fortunately Rubi is craving blood and guess who she's dreaming about sinking her teeth into? New vampire and shifter students form the populace at Mossgrove Academy and not all are Rubi's biggest fans, especially one southern bell shifter who has her eyes set on Mac Dav. Of course Rubi finds she has bigger problems than bloodlust and jealousy. She's hearing mysterious whispers, seeing inexplicable shadows, and having violent nightmares about murder. Beyond Mossgrove Academy's supernatural safety, a deadly conspiracy lurks, threatening the royal vampire couple and their shifter allies. Secrets are slowly revealed to Rubi, but when someone close is taken, will she be able to uncover the deadly plot in time to save her loved one? Or will half her friends suffer the wrath of a familiar enemy? **Intended for audiences 16+**
