Finally, the mystery is solved and all is revealed. Learn how the Anti-Magdalene conspiracy has been lying to us for thousands of years and how one man stood up for the Truth of Mary Magdalene. What people have been saying in anticipation of Gus Stiver's book: "Can I just say how much I love Gus Stiver. He's more entertaining than a box of frogs on acid." Christopher Dawes, author of *Rat Scabies and the Holy Grail*. "I know Gus Stiver to be a sincere and honest person who deeply believes in his efforts to clear Ben Hammott of all false charges." Suzanne Olsson, author of *Jesus in Kashmir, The Lost Tomb*. "Gus has sent me some sample chapters of his proposed book. Well, first it was so witty and funny that I laughed like a drain and indeed, his witty comments (roll on the floor, clutching stomach with the pain of laughing) continue throughout, but then his logic kicks in as well - you've got to agree with him! The Quantum Field is sucking me in; he is now the only person allowed to call me a Maghead." Val Wineryard, author of *The Sacred Journey: Mary Magdalene and Jesus from Jerusalem to the Mountains of the Languedoc*. "Look forget it. Ben Hammott is a fake and most of us who have been in this for some time knew that from day one. Let it go." Eric Tull "Gus Stiver is a genius!" Vam Hammott "You lot deserve Gus Stiver." Ron Mackenzie, author *The Great Lost Treasure* "Bring back the Ben hammott hoax group Gus Stiver" Craig Grondfeldt "You are

welcome to quote that I do not know you or anything about you Gus, but am happy to endorse your book.”
Kate Coughlan “What if the greatest Hoax ever told was a lie? What if it wasn't? Does it really matter? The real treasure of RLC is the beauty of it all and the ancient whisperings of the landscapes we walk upon now. Hidden treasures everywhere, if you have eyes to see. Ben Hammott's books are actually hidden treasures in themselves. Everyone deserves a second chance. Peace and Love to the 22nd Power! Long Live Ben!” Jilly Jacoby “where what?” Kimberleyann Montgomery “mmmmmmmmmmmmhhhhhhhhhhhh....” Siri Feldmann
