When ten-year-old Andy moves from California to his new house in Colorado, the last thing he expects is to meet a ghost named Annie. Annie has been living in that house for eighty years. Will Annie spook Andy away? Or will the two find out that sometimes, the best of friends might not be who you first expected? The Andy & Annie series by author Jenni James and illustrator BC Sterrett is like Diary of a Wimpy Kid meets Junie B. Jones with a paranormal twist. Your young reader will love getting to know these characters and going with them on amazing adventures!
