It wasn't supposed to be this way. All it took was one bullet and I went from Capa to Boss within the blink of an eye. What once was my twin brother's birthright, has now become my curse. Now it's up to me to avenge my brother's death, to give every member of this family the revenge they deserve. I will retaliate, and I will exact due payment. The cost? Her life. Tatum Linscott is the reason I had to bury my brother. She ruined everything, and now my only goal is to break her, mend her, then break her again. This war started with her...and it will end with her. **\*\*WARNING\*\*** ~ Blood & Lies is a DARK Contemporary Romance, not suitable for people sensitive to hard to read subjects~
