Don't go into the woods. Sixteen-year-old Anna Lambert knows that the woods near her new home aren't safe. She's seen the wolves that stalk through that dark forest, but Anna doesn't scare easily. Anna is cursed—or gifted, depending on how you look at it—with the ability to find anyone or anything that is lost. So when folks start disappearing in the small town of Haven, Anna's father, the sheriff, has to use her special skills as they begin to hunt for a killer. But the killer isn't exactly human. As Anna is pulled deeper into the secrets of Haven—a town that is truly cursed—she finds herself falling for two, equally mysterious boys. With the danger closing in, one of those boys may just turn out to be her savior. And the other? He could be a very big, very bad...beast. Beware of beasts...and boys...with bite.
