Set in New Orleans, Louisiana, *Never Satisfied* is a story about envy and how it possesses the power to demolish anything standing in its path once one becomes consumed by it. Twenty-two year old Jasmine learns this on the hard way when her covetousness for the lavish life style of her best friend, Kyrielle, spirals out of control. After being thrown from a life of comfort into one filled with despair, she meets Kyrielle and takes her under her wing. It isn't until several years later - when Kyrielle becomes romantically involved with Nique, a wealthy drug dealer - that Jasmine develops an unhealthy jealousy of her. With Jasmine's insatiable appetite for a life that isn't her own, she won't let anything (or anyone) stop her from getting what she wants. However, just when she thinks she has reached the pinnacle of the status that she has underhandedly worked so hard to obtain, she finds out that nothing is what it seems and ends up tangled in a huge web of deceit that results in bloodshed.
